

Australia is Calling!

Careers in orthotics and prosthetics with oapl, the largest owner and operator of orthotic and prosthetic patient care clinics in Australia, are an opportunity like no other.

Our growing team of professionals work in an array of diverse orthotic and prosthetic jobs at patient care clinics and offices across Australia. Collectively, we touch thousands of lives each day, helping people to live active and independent lifestyles.

With the new National Disability Insurance Scheme (NDIS) fully implemented, improved funding has created greater opportunities for clinicians to assist patients to live actively and independently.

What's on offer?

oapl is currently seeking enthusiastic and motivated prosthetists to work in our organisation with the view of long term and sustainable employment.

oapl currently have positions available in Perth, Sydney and Brisbane for suitable candidates and is offering financial support to assist in relocation expenses to invest in your future.

Positions Currently Available:

Sydney: Clinical Services Manager & Prosthetist

This position is based at our new centre in Alexandria to support a team of 12 staff which also includes clinical patient care

Brisbane: Senior Prosthetist

The role offers a broad client base servicing Brisbane and a regional clinic. Our Queensland operation is well supported with a dedicated technical and administration team. The position is also suited for those seeking to develop clinical management skills.

Perth: Senior Prosthetist

Based at our Shenton Park facility, this position is suited to a clinician seeking to improve and expand their professional and clinical capabilities.

If you are interested in these roles, please forward your CV and details to Richard Fejer rfejer@oapl.com.au and Greg Kneebone gkneebone@oapl.com.au
