

Prosthetist / Orthotist

Location: Perth Metro, Western Australia, Australia

Permanent Full-Time

oapl is seeking a Prosthetist/Orthotist to join our Western Australia team.

Our Western Australia Clinical business is thriving and busy, with two key locations at Shenton Park and Myaree but include regional clinics in Bunbury and Albany.

The suitable applicant will be required to demonstrate a reliable work ethic, perform as an enthusiastic team member and have high level organisational/time management skills. As part of our team, you would not only see a wide variety of patients but have the opportunity to attend our regional clinics.

This role is suited for someone with a strong clinical understanding but who wants to expand and develop their clinical expertise. Training is fully supported, and with our clinical network being dedicated to the utilization of all current and new technologies, we offer continued exposure through dedicated workshops, in-house training and company mentoring. A comprehensive induction program will be provided to ensure the successful candidate is prepared for the position.

Applicants are required to have completed a recognised tertiary qualification in P&O and be eligible for AOPA membership. Suitable applicants must have current Working with Children, Police checks, driver's license and motor vehicle.

Salary is negotiable and is based on experience.

What OAPL can offer you:

- Parental Leave Program
- Competitive Salary & Packaging
- Incentive Scheme
- Funded AOPA membership
- Novated Car Leasing
- Corporate Travel Program
- Employee Assistance Program (EAP)

Suitable applicants meeting the outlined criteria need only apply. Applications and inquiries can be directed to:
