

Technician

Location: Slacks Creek, Queensland, Australia

Permanent Full Time:

Oapl has a new opportunity for a Prosthetic/ Orthotic Technician to join our team in Slacks Creek. This position would suit either someone with experience or who would like to gain Technician/Workshop experience. We are looking for a self-motivated individual who can work autonomously as well as in a team along with receiving instructions from the Prosthetists and Orthotists.

About you:

- Willingness to learn new techniques, skills and fabrication methods as needed are essential
- Highly practical, good attention to detail
- Must have a positive attitude and work ethic;
- Ability to work autonomously as well as part of a team

Key Responsibilities:

- Manufacturing, fabricating, repairing, modifying and maintaining Prosthetic limbs and Orthotic devices according to specifications and changes;
- Appropriate use of a range of materials, processes and techniques in the development of new technical processes and application of new materials;
- Able to troubleshoot technical issues in the workshop;
- Adhering to workplace safety requirements;

Selection Criteria:

- Previous experience as a Prosthetic/Orthotic Technician would be highly regarded, but not essential;
- Demonstrated sound working knowledge of workshop machinery.
- Practical knowledge of manufacturing techniques including plastic work, fibreglass/carbon lamination, excellent finishing skills including buffing, grinding and sewing (advantageous but not mandatory)

Salary range: \$60,000-\$75,000 based on experience

Suitable applicants can send their applications to:

Luke Lorenzin – llorenzin@alaprosthetics.com.au

What OAPL can offer you:

- Parental Leave Program
 - Competitive Salary & Packaging
 - Novated Car Leasing
 - Corporate Travel Program
 - Employee Assistance Program (EAP)
