

Prosthetic Lead

Location: Slacks Creek, Queensland, Australia

Permanent Full-Time

oapl is seeking a Prosthetic Lead to join our team at our newly built, state of the art, South Side facility.

Our South Side Clinic is a thriving and busy clinic which would provide you exposure to a vast variety of Prosthetic clients.

The suitable applicant will be required to demonstrate a reliable work ethic, perform as an enthusiastic team member and have high level organisational/time management skills. As part of our team, you would not only see a wide variety of patients but have the opportunity to attend our regional clinics.

This role is suited for someone with a strong clinical understanding and has experience managing a team of clinicians. Training is fully supported, and a comprehensive induction program is provided to ensure the successful candidate is prepared for the position. Continued exposure to all current and new technologies is offered through dedicated workshops, in-house training and company mentoring.

Applicants are required to have completed a recognised tertiary qualification in P&O and be eligible for AOPA membership. Suitable applicants must have current Working with Children, Police checks, driver's license and motor vehicle.

Salary is negotiable and is based on experience.

What OAPL can offer you:

- Parental Leave Program
- Competitive Salary & Packaging
- Incentive Scheme
- Funded AOPA membership
- Novated Car Leasing
- Corporate Travel Program
- Employee Assistance Program (EAP)

Suitable applicants meeting the outlined criteria need only apply. Applications and inquiries can be directed to:
