

Prosthetist / Orthotist (Graduate / Early Career)

Locations:

**Brisbane, Queensland
Adelaide, South Australia**

Permanent Full-Time

Are you a recent graduate, soon-to-be graduate, or an early-career Orthotist/Prosthetist looking to build your skills within a supportive and experienced team?

We have exciting opportunities for motivated Orthotist/Prosthetist's to join our growing teams in Metro Brisbane and Adelaide. These positions would suit a new graduate seeking a strong foundation for their career, or a clinician with up to a few years of experience looking to further develop their clinical expertise.

About the Role

Working across a diverse caseload, you will have the opportunity to develop your skills in orthotic and prosthetic management while contributing to positive outcomes for patients.

These roles are designed with support and professional growth in mind. You will work alongside experienced clinicians who are committed to mentoring and helping you build confidence and capability across a broad range of clinical presentations.

What We Offer

- Structured support and mentoring from experienced Orthotists and Prosthetists
- A welcoming and collaborative team environment
- Exposure to a diverse clinical caseload
- Ongoing professional development opportunities including access to OPEdUcate
- A positive workplace culture focused on patient outcomes and team success
- The opportunity to establish a long-term career in one of Australia's most desirable regions

About You

We welcome applications from:

- Soon-to-be graduates and recent graduates of an accredited Orthotics and Prosthetics program
- Orthotists/Prosthetists with up to 2-3 years of clinical experience
- Clinicians who are patient-focused, motivated and keen to learn
- Individuals who value teamwork and professional development
